

About University **Private University**

National Medical College was established in the year 2001, promoted by the "National Medical College Company Pvt. Ltd." under the Chairmanship of Prof.Dr.Jainuddin Ansari, an outstanding surgeon who has earned national and international credentials for the promotion of Medico-Social services. National Medical College is one of the best medical colleges in Nepal, in fact the number one among all medical colleges in terms of infrastructure, academic facilities and modern sophisticated medical equipment. NMCTH is committed to provide quality services and medical care to each and every citizen coming to NMCTH. In line with our mandate, we, at NMCTH, strive hard to provide comprehensive, high quality tertiary care services to our users. However, there may be some deficiencies due to extreme patient load and limited resources.

Prepare for Medical PG in Germany while pursuing MBBS in Nepal

BENEFITS OF RESIDENCY IN GERMANY

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. Overseas conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.
